

SS STARS
CHEERLEADING
CLUB **COMPETITION SQUADS**
2021/2022

Welcome to SS Stars 2021/22

A big welcome to old and new members returning following what has been a strange year and fingers crossed we will get to compete this season. We can't wait to get our uniforms back on and performing our routines

We are so happy to be back and are loving our new venue, and can't wait to get working on our new routines over the next few weeks ready for our competitions.

We have enclosed all of the information you will need for the up and coming season, and have covered competition information, fees and a list of important dates to remember. Please make sure you read and take note of all the information.

Our training sessions we continue to run on a Monday and Tuesday evening. However due to space in the sport hall and other users in the hall, we will continue to collect everyone together and we would like everyone to wait in the reception area and one of the coaches will come out to collect you and this is where we would like everyone collect from.

All of the Event providers are planning for competitions to go ahead as normal and at present we are planning on doing 3 competition this coming season.

We have selected the competition nearer to us spread out over the whole season

Competition Squads

We will only be taking on new members at the beginning of the season and possibly again after the Christmas break, we will invite new members to take part in a tryout should there be a space on the team.

Due to Cheerleading being a **Team** sport, every single member is important it is very difficult to move people in and out of the squad during the year. Therefore anyone who signs up for a team is expected to be part of that team for the whole season. If you leave during the season it could mean the remaining team will no longer be able to compete. So please make sure you are able to commit 100% to being part of the competition squad.

If you leave part way through the season you will be liable for any outstanding fee occurred during the season

Cheerleading as with other sports clubs can seem expensive, but we try and keep costs to a minimum.

Becoming part of the competition squad also means you will have to pay additional fees for competitions, ie. travel costs, spectator tickets and a team uniform. So please take this it account when considering if you want to be part of our competition squad. However we will always try and accommodate anyone with payment issues to enable your child to compete.

Competition Squads

These are the fees for this season, we have split the competition entry fees to be included in with your monthly fees and spread out over 11 months. You will have additional cost on top of your monthly fees for ANNUAL MEMBERSHIP/ UNIFORM/ CHEER SHOES/ SPECTATOR TICKETS.
