# Welcome to SS Stars 2023/24

A big welcome to old and new members wanting to be part of our Cheer family for the new cheer season.

We hope you are looking forward to the new season and are ready to learn lots of new skills and make lots of new friends, whether you want to do cheerleading for fun or be part of our competition squads we are sure you will love it once you start.

The club has been established as SS Stars since 2012 and is ran by 2 friends Sam and Suzanne, both have grown up with gymnastics, dance and both fell in love with cheerleading when their daughters started nearly 15 years ago. Their daughters have all grown up now and all help out with coaching and running of the club, in between work and university. The club is ran completely by volunteers and all monies made go straight back into the club to help pay for costs.

All of our Coaches are qualified, DBS checked and insured. We also have some Junior coaches who help out during sessions, these are Junior cheerleaders who all began in the cheer for fun class and work their way up into our competitions squads, so are all experienced cheerleaders ready to help out and pass on their knowledge onto the up and coming little stars.

We take on members from 4 years (in full time school) up to adults.

We train at Water Lane Sports Centre in Lowestoft on a Monday and Tuesday evening, with our Cheer for fun classes taking place on a Monday

# Cheer for Fun 2023/24

Cheerleading is something anyone can have a go at no matter what your age or ability, we will have a class to suit you. We only run one Cheer for fun class on a Monday an evening 5.15pm-6.15pm and this is open to anyone who is in full time school.

During the year we will learn the basic skills for cheerleading starting with motions and jumps but will also introduce stunting and tumbles. We try to split the session into age and ability so everyone is working at a suitable level for each athlete.

The stunts in this class are design to help everyone learn how to lift and hold themselves, however for those you who are a bit of a thrill seeker our Junior Coaches love to lift the younger members up into some of our all stars level Stunts.

We always encourage everyone to take part and give everything a go, but never push your child to do anything they do not feel comfortable doing. We always try and make sure the sessions are fun while learning new skills, exercising and making new friends.

At the end of each year if you are interested we hold a tryout session open to anyone who would like to move into one of our competition squad. We always try and accommodate everyone who wants too into a team that suits their age and ability. We believe as long as you enjoy it and want to work as a team your deserve a place on our teams, it not always about winning but learning how to work as a team, work hard together and skills you will have for life.

If you are interested in coming along please complete your details on the link below and select a free trial session to come along too.
